

INSTITUTION OF ENGINEERS OF KENYA (IEK)

CALL FOR PAPERS

This is to announce that the 24th Engineers International Conference organised by the Institution of Engineers of Kenya in collaboration with the Engineers Board of Kenya will be held from 10th to 12th May 2017 at the Hotel intercontinental Nairobi. It will provide a platform for engineers, academicians, industrialists and associated professionals from the Eastern African region and other parts of the world to share experiences, challenges and new knowledge on Engineering matters. The event will feature a comprehensive technical programme with distinguished keynote speakers from the industry, academia and policy makers. In the past, the conference has attracted participants from South Africa, China, Namibia, Tanzania, Nigeria and Uganda.

The main theme of the 2017 conference is “
Engineering Innovations and Strategic Solutions”

The thematic areas for which the papers are solicited include, but not limited to:

-
- | | |
|---|--|
| i) Renewable Energy | (xii) Ethics and Governance |
| (ii) Generation, Transmission and Distribution of Electrical Power | (xiii) Project Planning and Financing |
